Special music for the occasion was furnished by a chorus choir of excellent singers.

Memorial Hall was erected by the ladies of the Maplewood Memorial Association in honor of the Confederate dead buried in Maplewood Cemetery. The association was organized on April 26, 1909, the object being "to care for the graves of the fallen heroes of the Confederacy, who are buried in Maplewood Cemetery, and to see that their graves are decorated once a year with approphiate ceremony."

The association found that expenses at the cemetery would necessitate a regular source of income, and a Town Hall being needed in Gordonsville, the ladies decided to build one and rent it to secure this income.

Ground was broken by the Junior Auxiliary.
